## **Product Information Sheet**

COMMISSION DELEGATED REGULATION (EU) 2019/2016 with regard to energy labelling of refrigerating appliances

| Supplier's name or trade mark: 1 | Haier |
|----------------------------------|-------|
|----------------------------------|-------|

Supplier's address: Candy Hoover Group contact, Comolli 16, 20861 Brugherio MB, IT

Model identifier: HBW5519EK

## Type of refrigerating appliance:

| Low-noise appliance:    | No | Design type:               | built-in |
|-------------------------|----|----------------------------|----------|
| Wine storage appliance: | No | Other refrigerating appli- | Yes      |
|                         |    | ance:                      | 165      |

## **General product parameters:**

| Parameter   |        | Value | Parameter   | Value                       |
|---|--------|-------|---|-----------------------------|
| Our and discounting   | Height | 1 935 |   | 281                         |
| Overal dimensions (millimetre)  | Width  | 540   | Total volume (dm³ or l)   |                             |
|   | Depth  | 545   |   |                             |
| EEI   |        | 100   | Energy efficiency class   | E                           |
| Airborne acoustical noise emissions (dB(A) re 1 pW)   |        | 33    | Airborne acoustical noise emission class  | В                           |
| Annual energy consumption (kWh/a)   |        | 215   | Climate class:  | temperate, subtropi-<br>cal |
| Minimum ambient tempera-<br>ture (°C), for which the refrig-<br>erating appliance is suitable |        | 16    | Maximum ambient temperature (°C), for which the refrigerating appliance is suitable | 38                          |
| Winter setting  |        | No    |   |                             |

## **Compartment Parameters:**

|                  |    | Compartment parameters and values  |   |                                  |  |
|------------------|----|------------------------------------|---|----------------------------------|--|
| Compartment type |    | Compartment Vol-<br>ume (dm³ or l) | Recommended temperature setting for optimised food storage (°C) These settings shall not contradict the storage conditions set out in Annex IV, Table 3 | Freezing<br>capacity<br>(kg/24h) | Defrosting type<br>(auto-defrost=A,<br>manual defrost=M) |
| Pantry           | No | -                                  | -   | -                                | -  |

| Cellar                           | No          | -                  | -                  | -      | - |  |
|----------------------------------|-------------|--------------------|--------------------|--------|---|--|
| Fresh food                       | Yes         | 219,0              | 4                  | -      | Α |  |
| Chill                            | No          | -                  | -                  | -      | - |  |
| 0-star or ice-making             | No          | -                  | -                  | -      | - |  |
| 1-star                           | No          | -                  | -                  | -      | - |  |
| 2-star                           | No          | -                  | -                  | -      | - |  |
| 3-star                           | No          | -                  | -                  | -      | - |  |
| 4-star                           | Yes         | 62,0               | -18                | 4,5    | Α |  |
| 2-star section                   | No          | -                  | -                  | -      | - |  |
| Variable temperature compartment | -           | -                  | -                  | -      | - |  |
| For 4-star compartment           | ts          |                    |                    |        |   |  |
| Fast freeze facility             |             |                    | Yes                |        |   |  |
| Light source parameter           | s:          |                    |                    |        |   |  |
| Type of light source             |             |                    | LED                |        |   |  |
| Energy efficiency class          |             |                    | F                  |        |   |  |
| Minimum duration of the          | ne guarante | e offered by the m | nanufacturer: 24 m | nonths |   |  |
