

## 12.1 Additional technical data

	HW100/90/80
Voltage in V	220-240 V~/50Hz
Current in A	10
Max. power in W	2000
Water pressure in MPa	$0.03 \leq P \leq 1$
Netto weight in kg	67

## 12.2 Product dimensions

PRODUCT DIMENSIONS	HW100/90/80
A Overall height of product mm	850
B Overall width of product mm	595
C Overall depth of product (To main control board size) mm	497
D Overall depth of product mm	577
E Depth of door open mm	1085
F Minimum door clearance to adjacent wall mm	300

Note: The exact height of your washer is dependent on how far the feet are extended from the base of the machine. The space where you install your washer needs to be at least 40mm wider and 20mm deeper than its dimensions.

12.3 Standards and Directives **CE**

This product meets the requirements of all applicable EC directives with the corresponding harmonised standards, which provide for CE marking.
