

**Product fiche concerning the COMMISSION DELEGATED REGULATION (EU) No 392/2012 of 1 March 2012**

|  |                 |
|--|-----------------|
| Supplier name or brand   | SMEG            |
| Product code   | DNP92SEUK       |
| Rated capacity in kg of cotton laundry for the standard cotton programme at full load  | 9 kg            |
| Type   | condensation    |
| Energy efficiency class  | A++             |
| Energy consumption "X" kWh per year, based on 160 drying cycles of the standard cotton programme at full and partial load, and the consumption of the low-power modes. Actual energy consumption per cycle will depend on how the appliance is used. | 259 kWh         |
| Energy consumption of the standard cotton programme at full load   | 2.17 kWh        |
| Energy consumption of the standard cotton programme at partial load  | 1.16 kWh        |
| Power consumption of the off-mode for the standard cotton programme at full load   | 0.50 W          |
| Power consumption of the left-on mode for the standard cotton programme at full load;  | 1.0 W           |
| Duration of the 'left-on mode'   | 30 min          |
| Weighted programme time of the standard cotton programme at full load  | 209 min         |
| Weighted programme time of the standard cotton programme at partial load   | 120 min         |
| Weighted programme time of the standard cotton programme at full and partial load  | 158 min         |
| Condensation efficiency class 'X' on a scale from G (least efficient) to A (most efficient)  | B               |
| Average condensation efficiency of the standard cotton programme at full load  | 87 %            |
| Average condensation efficiency of the standard cotton programme at partial load   | 87 %            |
| Weighted condensation efficiency for the standard cotton programme at full and partial load  | 87.00 %         |
| The sound power level (weighted average value — L <sub>WA</sub> ) expressed in dB and rounded to the nearest integer for the standard cotton programme at full lo  | 64 dB(A) re 1pW |
| Installation   | Free-standing   |
