Delegated Regulation (EU) 65/2014

|   |                      |
|---|----------------------|
| Supplier name or trademark                                | <b>Haier</b>         |
| Model identifier  | <b>H6 ID25G3HTB1</b> |
| Number of cavities  | <b>1</b>             |
| <b>Cavity 1</b>   |                      |
| Energy Efficiency Index                                   | <b>61,4</b>          |
| Energy Efficiency Class                                   | <b>A++</b>           |
| Energy consumption per cycle (conventional mode)          | <b>0,97 kWh</b>      |
| Energy consumption per cycle (fan-forced convection mode) | <b>0,54 kWh</b>      |
| Heat source   | <b>Electric</b>      |
| Volume  | <b>78 Litres</b>     |
