each offered in Camel Gold and Black Gold.

Dreame P-Wind10 Portable Air Conditioner

Your Comfort Anywhere Anytime

Slim and compact, the P-Wind10 fits perfectly in any small space, keeping rooms comfortable with cooling, dehumidifying, and fan modes. Adjustable airflow and Sleep Mode ensure quiet, restful nights, while its lightweight design and swivel casters let you move it wherever needed. Intuitive controls via display, remote, or app make personalized comfort effortless.

Key Features

3-in-1 Comfort

Enjoy versatile comfort with cooling, dehumidifier, and fan modes in one unit. Stay cool, reduce excess moisture, or switch to fan mode for gentle air circulation. One appliance does it all, saving space while delivering everyday comfort.

Perfect Fit for Every Space

With its slim footprint of 305 × 285 × 700 mm, this compact unit fits easily in bedrooms, home offices, and other small spaces—delivering flexible comfort wherever you need it.

Easy Setup & Mobility

Set up your unit in just three simple steps and start enjoying comfort in minutes. With four smooth swivel casters, it moves effortlessly from room to room, making it easy to place wherever cooling is needed.

Multiple Control Options

Take full control using the LED display, remote control, app control with built-in Wi-Fi, and a 24-hour timer—all designed for effortless daily use, so you can enjoy personalized comfort anytime.
