

## Specification Details Product: Washerdryers F062514 [IWDG 6145 (EU)]

|                   |  |
|-------------------|--|
| <b>Owner</b>      | mariarosaria.schettini   |
| <b>Originated</b> | 26-Aug-2008  |
| <b>Modified</b>   | 22-Oct-2016  |
| <b>State</b>      | <a href="#">Released</a>   |
| <b>View</b>       | <input type="button" value="INPUT"/>  <a href="#">Coding parameters</a> |

### Coding parameters

|                    |                  |                       |                           |
|--------------------|------------------|-----------------------|---------------------------|
| <b>Business</b>    | Free Standing    | <b>Family</b>         | Front Loading Standard    |
| <b>Series 1</b>    | 6,0 Kg           | <b>Series 2</b>       | 1400 rpm                  |
| <b>Aesthetic</b>   | Indesit Eco Time | <b>User Interface</b> | WD_Led                    |
| <b>Brand</b>       | Indesit          | <b>Trade Mark</b>     | Indesit                   |
| <b>Noise (dBA)</b> | 0.0              | <b>Mix Segment</b>    | WD_Front Load 6,0Kg +1300 |
| <b>Color</b>       | White            | <b>EAN 13</b>         | 8007842625141             |
| <b>Range</b>       | M.D.A.           |                       |                           |

### General Information

|                            |                          |
|----------------------------|--------------------------|
| <b>Colour Leading Code</b> |                          |
| <b>Markets</b>             | EU-Other European States |

### Energy Label

|  |                            |   |      |
|--|----------------------------|---|------|
| <b>Regulation</b>                                      | EU 1998 or OTHER DEDICATED |   |      |
| <b>Water remaining after spin cycle %</b>              | 53                         |   |      |
| <b>Washing capacity kg</b>                             | 6.0                        |   |      |
| <b>Max drying load kg</b>                              | 5.0                        | <b>Basic cycle</b>                            |      |
| <b>Energy Class</b>                                    | B                          | <b>Energy Info</b>                            |      |
| <b>Spin Performance</b>                                | B                          | <b>Washing efficiency class</b>               | A    |
| <b>Washing+drying water consumption per year (l)</b>   | 16800.0                    | <b>Washing+drying water consumption (l)</b>   | 84.0 |
| <b>Washing water consumption per year (l)</b>          | 10400.0                    | <b>Washing water consumption (l)</b>          | 52.0 |
| <b>Washing+drying energy consumption per year kW/h</b> | 944.0                      | <b>Washing+drying energy consumption kW/h</b> | 4.72 |
| <b>Washing energy consumption per year kW/h</b>        | 224.0                      | <b>Washing energy consumption kW/h</b>        | 1.12 |
| <b>Washing cycle duration min</b>                      | 150                        | <b>Rpm (spin)</b>                             | 1400 |
| <b>Spin cycle noise level dBa</b>                      |                            | <b>Washing cycle noise level dBa</b>          |      |
| <b>Rumore Asciugatura dBa</b>                          |                            |   |      |

### Technical Data

|                             |        |                         |         |
|-----------------------------|--------|-------------------------|---------|
| <b>Absorbed Current (A)</b> | 10     | <b>Supply Frequency</b> | 50      |
| <b>Cable Length (m)</b>     | 1.2    |                         |         |
| <b>Absorbed Power (W)</b>   | 1850   | <b>Supply Voltage</b>   | 220-240 |
| <b>Plug Type</b>            | Schuko | <b>Pressostato</b>      | Lineare |

### Dimensions & Weights

|                                    |      |                                  |      |
|------------------------------------|------|----------------------------------|------|
| <b>Package Height (cm)</b>         | 89.0 | <b>Built-in hole Height (cm)</b> | 0.0  |
| <b>Height PF (cm)</b>              | 85.0 |                                  |      |
| <b>Package Width (cm)</b>          | 64.5 | <b>Built-in hole Width (cm)</b>  | 0.0  |
| <b>Width PF (cm)</b>               | 59.5 |                                  |      |
| <b>Gross Weight (Kg)</b>           | 66.5 | <b>Net Weight (Kg)</b>           | 65.0 |
| <b>No. Pieces per Package (Nr)</b> | 1    |                                  |      |
| <b>Package Weight (Kg)</b>         | 1.9  |                                  |      |
| <b>Package Depth (cm)</b>          | 59.0 | <b>Built-in hole Depth (cm)</b>  | 0.0  |
| <b>Depth PF (cm)</b>               | 53.5 |                                  |      |
